**Liquid Neutralizer,
Softener & Bacterial Stat**

WARNING

See back panel for precautions and first aid.

Net Contents: 5 Gallons (18.93L)

SANI-SOFTEE Liquid Neutralizer, Softener & Bacterial Stat

Product No.: 8885

Sani-Softee is a concentrated formulation designed for use in commercial and institutional laundry operations by addition to the final rinse cycle. When used as directed, Sani-Softee softens clothes, eliminating chafing and "static cling" from nylons and other synthetic fabrics, and sanitizes against Gram-positive and Gram-negative organisms. The use of this product also helps improve ironing time.

DIRECTIONS:

Residual self-sanitizing level of bacterial control: Add 5 fluid ounces of this product per 100 lbs of dry laundry to the final rinse cycle water. At this rate, the product provides, to the fabric, a residual self-sanitizing activity against odor-causing Gram-positive and Gram-negative organisms under conditions of high-relative humidity or wet contamination.

Residual bacteriostatic level of bacterial control: Add 20 fluid ounces of this product per 100 lbs of dry laundry to the final rinse cycle water. At this rate, the product provides, to the fabric, a residual bacteriostatic activity against odor-causing Gram-positive and Gram-negative organisms, which act on urine to produce ammonia in diapers and wet bed linens.

KEEP OUT OF REACH OF CHILDREN

HAZARD STATEMENTS:

Causes skin irritation. Causes serious eye irritation. May be harmful if swallowed.

PRECAUTIONARY STATEMENTS:

Wash hands thoroughly after handling. Wear protective gloves/protective clothing/eye protection/face protection.

FIRST AID

IF ON SKIN: Wash with plenty of soap and water.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

IF SKIN irritation occurs: Get medical advice/attention. If eye irritation persists: Get medical advice/attention. Take off contaminated clothing and wash before reuse.

IF SWALLOWED: Give large amounts of water. Do NOT induce vomiting. Contact a physician for medical advice/attention.

STORAGE:

Store locked up. Store away from incompatible materials.

DISPOSAL:

Dispose of contents/container in accordance with local/regional/national/international regulations.

INGREDIENTS:

Water (7732-18-5)

Methyl Bis-2-Hydroxyethyl ammonium methyl Sulfate (68410-69-5)

Benzenesulfonic Acid, 2,2',1,1' biphenyl diylid, 2,1 ethendiyl, bis disodium Salt (27344-41-8)

Isopropanol (67-63-0)
