Contents under pressure. See back panel for additional precautionary statements.

NET WT. 15 oz. (425g)

SOLVENT BASED STAINLESS STEEL CLEANER

Cleans, polishes and protects stainless steel, chrome and aluminum. This solvent based formulation removes smudges, spills, stains and finger prints without leaving a greasy residue. Leaves a protective coating that resists resoiling. May be used in restaurants, cafeterias, offices, laboratories, schools, manufacturing plants, washrooms, elevators or on any washable hard surface..

DIRECTIONS:

Shake well before using. Hold can in upright position 6 to 8 inches from surface. Spray lightly, wipe surface immediately with a clean soft cloth. Do not allow spray to dry. Buff to a high gloss finish. For difficult soils, repeat application.

DANGER

Extremely flammable aerosol. May cause drowsiness or dizziness. Toxic to aquatic life. Toxic to aquatic life with long lasting effects.

Prevention

Keep away from heat / sparks / open flames / hot surfaces. No smoking. Do not spray on an open flame or other ignition source. Pressurized container: Do not pierce or burn, even after use. Avoid breathing mist or vapor. Use only outdoors or in a well-ventilated area. Avoid release to the environment.

Response

If inhaled: Remove person to fresh air and keep comfortable for breathing. Call a poison center / doctor if you feel unwell. Collect spillage.

Storage

Store in a well-ventilated place. Keep container tightly closed. Store locked up. Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F.

Disposal

Dispose of contents/container in accordance with local / regional / national / international regulations.

KEEP OUT OF REACH OF CHILDREN

INGREDIENTS: Isoparaflinic hydrocarbon distillates 64742-47-8, Mineral oil 8042- 47-5, Isobutane 75-28-5, Propane 74-98-6.
