Fullstrip® Gold

Non-Ammoniated Stripper

Fullstrip® Gold is a fast-acting non-ammoniated stripper that will remove all types of finishes and most sealers; acrylics, co-polymers types, metal-crosslinked or conventional. Specifically formulated for removal of even the worst build-up, this concentrated combination of powerful ingredients assures complete emulsification and removal of aged finish and sealer. Removable problems caused by repeated high speed burnishing will be solved using Fullstrip® Gold. Low foam and low odor formula.

Powerful General Use Stripper:

Easily removes all types of finishes and most sealers - even in areas of extensive build-up, or where repeated high speed burnishing has made removability a problem.

Liquid Concentrate:

One gallon of **Fullstrip® Gold** diluted 1:8 will strip up to 4000 square feet, keeping your chemical costs low.

Pleasant Scent:

This non-ammoniated stripper is especially useful in confined areas or where ammonia odor is objectionable. **Fullstrip® Gold** will improve labor productivity in stripping operations.

Controlled Sudsing:

With controlled sudsing and rapid suds break, **Fullstrip® Gold** keeps wet-vacs and autoscrubbers operating at peak efficiency, assuring maximum solution pick-up capacity.

USE INFORMATION:

Before stripping always dust mop the floor and remove gum, labels and other attached soil deposits with a long handled scraper or putty knife.

PRODUCT SPECIFICATIONS:

pH (concentrate).....	12.8-13.9
Appearance.....	Clear, Light Orange Liquid
Fragrance.....	Light Solvent
Freezing Point.....	About 32°F
Solubility in Water.....	Complete
Flash Point.....	None

INGREDIENTS:

Water.....	7732-18-5
2-Butoxyethanol.....	111-76-2
Monoethanolamine.....	141-43-5
Sodium metasilicate.....	6834-92-0
Potassium hydroxide.....	1310-58-3
Ethylene glycol phenyl ether.....	122-99-6

DIRECTIONS FOR USE:

1. **DILUTE** at 16 oz. per gallon (1:8 ratio) or up to 32 oz. per gallon (1:4 ratio) of cool water.
2. **APPLY** the diluted solution of **Fullstrip® Gold** using a clean mop. Let solution work for 5 minutes and do not let dry.
3. **SCRUB** using a black pad under a swing machine.
4. **REMOVE** the remaining solution from the floor using a mop or wet vacuum. **RINSE** and **INSPECT** the floor for shiny spots. Repeat 2 and 3 if any finish remains on the floor.

PRODUCT AVAILABILITY:

9551.....	4/1 Gal.
9555.....	1/5 Gal. Pail
95555.....	1/55 Gal. Drum
