Fullclean®

All Purpose Cleaner

Fullclean® is a premium quality cleaner that is highly-effective for cleaning all surfaces. Environmentally safe, it is a combination of biodegradable surfactants in a phosphate-free formula. Fullclean® contains no acids, abrasives, strong alkalis or solvents. This product is safe to use on any washable surface and is free-rinsing.

Multi-Use Cleaning:

Fullclean® is formulated to be used from ceiling to floor on a wide variety of surfaces.

Easy to Use:

Works in cold or hot water. Free rinsing. Highly effective cleaning action suspends and removes soils for easy cleaning.

Versatile:

Fullclean® can be used in mop & buckets, spray bottles and autoscrubbers for total facility cleaning.

Safe to Use:

Contains no harsh acids or alkalis and is phosphate-free. Safe for the environment and people.

USE INFORMATION:

Fullclean® is excellent for cleaning walls, floors, furniture and other non-porous environmental surfaces. Recommended for use in schools, hospitals, hotels, factories, supermarkets and other public buildings.
