

VANQUISH™ EX

High Performance No Rinse Stripper

PRODUCT DESCRIPTION:

Vanquish™ EX is a highly concentrated speed stripper designed to liquefy and remove multiple coats of burnished floor finish with a minimum amount of time and labor. Formulated using the latest advances in professional stripper technology, Vanquish™ EX aggressively penetrates the film and chemically unlocks cross-link mechanisms of acrylic and urethane fortified floor finishes for fast, effective and easy removal.

FEATURES:

Low Foaming:

Low foaming formula makes it ideal for use in automatic scrubbers, as well as mop and bucket.

Labor Saving:

Highly concentrated formula powers through layers of finish, reducing labor required to strip floors.

Low Odor:

Great for areas where traditional stripper odor is a problem.

Cost Effective:

Recommended dilution ratios allow for less product needed to strip floors.

PRODUCT SPECIFICATIONS:

pH (concentrate)	13.0 ± 0.5
Appearance	Clear Yellow Liquid
Fragrance	Slight Lemon
Freezing Point	About 32°F
Solubility in Water	Complete
Flash Point	None To Boiling

INGREDIENTS:

Water	7732-18-5
2-Butoxyethanol	111-76-2
Monoethanolamine	141-43-5
Nonylphenoxy poly(ethyleneoxy) ethanol	9016-45-9
Potassium hydroxide	1310-58-3
Benzyl alcohol	100-51-6

PRODUCT AVAILABILITY:

- 9811 4/1 gal.
- 9815 1/5 gal. pail
- 98155 1/55 gal. drum

VANQUISH™ EX High Performance No Rinse Stripper

USE INFORMATION: Hospitals, schools, nursing homes, hotels, motels, schools, universities, municipal buildings, and supermarkets. Use on vinyl, vinyl/composition, asbestos, terrazzo, ceramic, or quarry tile floors. For linoleum, rubber or asphalt tile floors, test on a small, inconspicuous area first for signs of bleeding, softening or other compatibility problems.

FLOOR STRIPPING

DIRECTIONS FOR USE:

Before stripping always dust mop the floor and remove gum, labels and other attached soil deposits with a long handled scraper or utility knife.

FLOOR STRIPPING

1. **Dilute** at 10 oz. per gallon (1:13 ratio) for light to medium build-up.
16 oz. per gallon (1:8 ratio) for heavy build-up.
2. **APPLY** the diluted solution of Vanquish™ EX onto the floor with a mop.
3. **WAIT:** Let stand for 4-5 minutes, then agitate with the same mop. For best results use a rotary machine and black pad. Do not let solution dry.
4. **REMOVE** the solution from the floor using a mop or wet/dry vacuum. For best results rinse the floor with clean water and a clean mop.
5. **REPEAT** steps two to four if any finish remains on floor.

Machine Scrub or Auto Scrub:

For light duty, dilute VANQUISH™ EX 1:13 (10 oz. per gallon) with cool water. Apply solution liberally to floor with wet mop or auto-scrubber. Allow solution to soak for 4-5 minutes then scrub with a stripping pad on the machine. Pick up solution with auto scrubber, wet vacuum or floor squeegee and wet mop.

DANGER

Harmful if swallowed. Causes severe skin burns and eye damage. Causes serious eye damage. Harmful if inhaled. May cause respiratory irritation. Toxic to aquatic life. Toxic to aquatic life with long lasting effects.

Prevention

Do not breathe mist or vapor. Wash thoroughly after handling. Do not eat, drink or smoke when using this product. Use only outdoors or in a well-ventilated area. Avoid release to the environment. Wear protective gloves / protective clothing / eye protection / face protection.

Response

If swallowed: Rinse mouth. Do NOT induce vomiting. If on skin (or hair): Take off immediately all contaminated clothing. Rinse skin with water / shower. If inhaled: Remove person to fresh air and keep comfortable for breathing. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a poison center / doctor. Specific treatment (see SDS). Wash contaminated clothing before reuse. Collect spillage.

Disposal

Dispose of contents / container in accordance with local / regional / national / international regulations.
