Super Carpet & Upholstery Shampoo

Concentrated Dry Foam Rotary Shampoo

Super Carpet & Upholstery Shampoo provides a very dry foam that works with rotary machines, brushes or with elaborate dry foam commercial equipment. The formulation cleans deep into the pile and captures the soil, while surrounding each fiber with a stain resistant coating. The captured soil lays on the surface of the pile and is vacuumed away.

Safe to Use:

Safe for all wet cleanable carpets including "new generation" stain resistant carpets. Contains no harsh alkalis.

Cleans Upholstery:

Compatible with many types of elaborate dry foam generating commercial equipment. Use on automobiles, sofas, drapery and more.

Highly Effective Cleaning & Deodorization:

Unique formulation captures soils and odors, while enhancing the soil resistance of the carpet.

USE INFORMATION:

Ideal for use in restaurants, schools, offices, department stores, hospitals, nursing homes, automobiles and hotels. Always thoroughly vacuum the carpet and remove any attached deposits from the carpet prior to use. If there is a question on the carpet's colorfastness, always pretest in an inconspicuous area.

PRODUCT SPECIFICATIONS:

pH (concentrate).....	9.5 ± 0.5
Appearance.....	Clear, Colorless Liquid
Fragrance.....	Banana
Freezing Point.....	About 32°F
Solubility in Water.....	Complete
Flash Point.....	162°F

INGREDIENTS:

Water.....	7732-18-5
Sodium alkyl sulfate.....	271-557-7
Isopropyl alcohol.....	67-63-0
Dipropylene glycol n-propyl ether.....	29911-27-1
