First ClassTM

Furniture Polish

- **Deep Cleans & Polishes**
- **No Streaks**
- **Pleasant Fragrance**

First Class™

Furniture Polish

Deep clean and polish all types of wood surfaces quickly and easily. Ideal for wood furniture, paneling, cabinets, molding. Just spray on then wipe away dirt, smudges, grease, and grime. Silicone-based formula restores original beauty instantly. Hides minor scuffs and scratches, too. Unique formula will not build up or discolor over time. Cleans without stripping wax finishes. The no streak formula achieves excellent results on high gloss, flat or satin finishes.

Convenient:

Ready-to-use with a push of a button.
No mixing or diluting required.

Economical:

Time saving, Three products in one (dusts, cleans, waxes).

Clean Up:

Treated dusting tools can be treated without fear of equipment contamination caused by petroleum solvents.

USE INFORMATION:

Excellent for dusting, cleaning and waxing tables, counter tops, wood furniture, metal, ceramic tile, porcelain, leather, chrome and vinyl surfaces. Effective in schools, nursing homes, hotels/motels, restaurants, small or large businesses and shopping malls.

PRODUCT SPECIFICATIONS:

pH @ 25°C.....	6.0
Appearance.....	Milky White
Fragrance.....	Perfumed
Freezing Point.....	About 32°F
Solubility in Water.....	Dispersible
